## For All Seasons 2010 Calendar

**For All Seasons 2010** is a full-color calendar featuring watercolor classwork paintings by OCS students—an artful and useful record of each month's events and activities. Each artwork was selected to reflect the Waldorf-inspired class curriculum as well as seasonal imagery. As a bonus, January 2011 is included!

With vibrant color, sturdy paper stock and a generous layout the calendar makes an ideal gift. After covering production costs, all proceeds will benefit OCS and its educational program.
